

Younger Student: Puppy Paw Sugar Cookies

Celebrate the completion of this lesson plan by making this fun snack with your child.

Materials needed: Sugar cookie dough, Rolos, caramel pieces, wax paper

Step One:

Roll sugar cookie dough into 1 1/2 inch balls, flatten into a circle and place on a cookie sheet lined with wax paper.

Step Two:

Place in oven for 10 minutes.

Step Three:

Next, remove from oven and create paw design by pressing a Rolo in the center of each cookie and four small caramel pieces above it.

Step Four:

Place back into the oven for 7 to 10 min. or until golden brown. Remove, let cool for an hour and enjoy.
